1 This list of titles that have passed hand certification for compatibility with Xbox 360 is provided for informational purposes only and is subject to change without notice. To ensure the highest quality gaming experience, in the event that an unforeseen technical issue is discovered after hand certification is completed, Microsoft® reserves the right to remove any game name from this list. Please check back often to see the most current list of games.

2 Currently the North American versions of these games are the only ones supported as backward compatible titles on Xbox 360.

3 The December 2005 update includes the Monk Zeng content from the limited edition of Jade Empire.

4 Offline version only; versions included with Xbox Live Starter Kits or as a bundled game with other Xbox Live titles do not yet play on Xbox 360.

5 Currently the Japanese version of this game is not supported as a backwards compatible title on the Xbox 360.
